Table S1. Declared ingredients of the analyzed cosmetic samples.

Figure S1. Emulsified cosmetic sample and UV-Vis spectrum of the emulsion.

Figure S2. Scheme of the system used for irradiation under a tungsten lamp.

Figure S3. Influence of ultrasounds on AA stability

Figure S4. Influence of the type of acid: hydrochloric acid and nitric acid.

Figure S5. Optimization of SDS concentration

Figure S6. Analytical response of AA derivates and other antioxidants

Figure S7. Calibration curve with aqueous standards

Table S1. Declared ingredients of the analyzed cosmetic samples.

SAMPLE	INGREDIENTS
Armonia® natural cosmetics facial serum	water, denatured alcohol, propylenglycol, glycerin, lactic acid, glycolic acid, filtered snail slime, aloe barbadensis leaf extract, glicirrriza glabra root extract (licorice), calendula officinalis flower extract, hydrolyzed collagen, allantoin, retinyl palmitate, ascorbyl palmitate, tocopheryl acetate, panthenol, citric acid, malic acid, tartaric acid, inositol, biotine, riboflavin, niacinamide, chondroitin sodium sulphate, disodium EDTA, sodium hydroxide, PEG-40 hydrogenated castor oil, ceratonia siliqua gum (carob gum), tropolone, sodium benzoate, potassium sorbate, imidazolidinyl urea, caprylylglycol, hydroxyethylcellulose, cellulose, sodium acetate, isopropyl alcohol, 1,2-hexanediol, parfum (fragrance).
Babaria® moisturizing oil free facial cream	water, steareth-21, steareth-2, aloe barbadensis leaf extract, alcohol denat., cetyl alcohol, stearyl alcohol, butylene glycol, PEG-60 almond glycerides, caprylyl glycol, glycerin, carbomer, nordihydroguaiaretic acid, oleanolic acid, urea, parfum, triclosan, sodium hydroxide, acrylates/C10-30 alkyl acrylates crosspolymer, phenoxyethanol, methylparaben, ethylparaben, propylparaben, butylparaben, Cl 42090 (FD & C blue 1) benzyl salicylate, citral, citronellol, geraniol, hexyl cinnamal, limonene, linalool, alpha-isomethyl ionona.
Clarins® Hydraquench facial cream	water, caprylic/capric triglyceride, glycerin, silica, cetearyl alcohol, pentylene glycol, dipentaerythrityl tetrahydroxystearate/tetraisostearate, glyceril stearate, PEG-100 stearate, trehalose, cetearyl glucoside, stearyl alcohol, dimethicone, parfum/fragrance, polyacrylamide C13-14 isoparaffin, ethylhexylglycerin, tocopheryl acetate, disodium EDTA, sodium hyaluronate, sodium PCA, butylene glycol, dimethiconol, glycetyl acrylate/acrylic acid copolymer, tocopherol, phenoxyethanol, laureth-7 alcohol, biosaccharide gum-4, rubus chamaemorus seed oil, methylisothiazolinone, thermus thermophilus ferment, helianthus annuus (sunflower) seed oil, cedrelopsis grevei bark extract, lapsana communis flower/leaf/stem extract, pyrus sorbus bud extract, camellia sinensis leaf extract, potassium sorbate, rhodolia rosea root extract, sodium lauryl sulfate.
Elizabeth Arden® ceramide capsules daily youth restoring serum	water, butyrospermum parkii (shea) butter, butylene glycol, tridecyl stearate, isodecyl salicylate, PEG-30 dipolyhydroxystearate, tridecyl trimellitate, persea gratissima (avocado) oil, isocetyl stearoyl stearate, propylene glycol, dipentaerythrityl hexacaprylate/hexacaprate, sorbitan sesquioleate, magnesium sulfate, phenoxyethanol, hydrogenated castor oil, sodium PCA, ozokerite, methylparaben, tocopheryl acetate, isopropyl palmitate, disodium EDTA, copper pca, butylparaben, ethylparaben, propylparaben, helianthus annuus (sunflower) seed oil, Cl 75130/beta-carotene, tocopherol, citric acid.

Table S1 (continued)

Elizabeth Arden® advanced ceramide lift and firm night cream	water, dimethicone, butylene glycol, butyrospermum parkii (shea butter), glycerin, cetearyl alcohol, isostearyl alcohol, caprylic/capric triglyceride, theobroma cacao (cocoa) seed butter, ceteth-20 phosphate, butylene glycol cocoate, isodecyl salicylate, ceramide 1, ceramide 3, ceramide 6 ii, calluna vulgaris extract, chondrus crispus (carrageenan), dioscorea villosa (wild yam) root extract, glycine soja (soybean) sterols, hibiscus abelmoschus seed extract, trifolium pratense (clover) flower extract, sodium hyaluronate, linoleic acid, linolenic acid, ascorbyl palmitate, retinyl palmitate, tetrahexyldecyl ascorbate, tocopherol, tocopheryl acetate, erythritol, glycine soja (soybean) oil, caprylyl glycol, isohexadecane, macadamia ternifolia seed oil, PEG-40 hydrogenated castor oil, acetyl octapeptide-3, sodium PCA, trehalose, urea, homarine hcl, hydrogenated lecithin, hydrolyzed potato protein, hydrolyzed soy protein, hydrolyzed yeast protein, lauryl PEG-9 polydimethylsiloxylethyl dimethicone, lecithin, phospholipids, phytosphingosine, ammonium acryloyldimethyltaurate/beheneth-25 methacrylate crosspolymer, ammonium acryloyldimethyltaurate/VP copolymer, ceteth-20, cholesterol, oleic acid, oleyl alcohol, PEG-100 stearate, sodium lauroyl lactylate, dicetyl phosphate, hydroxyethyl acrylate/sodium acryloyldimethyl taurate copolymer, polysorbate 60, polysorbate 80, polyquaternium-51, ethylcellulose, beta-glucan, hexylene glycol, xanthan gum, sodium hydroxide, thioctic acid, ubiquinone, disodium EDTA, cyclohexasiloxane, cyclopentasiloxane, parfum/fragrance, benzyl salicylate, butylphenyl methylpropional, hexyl cinnamal, hydroxycitronellal, hydroxyisohexyl 3-cyclohexene carboxaldehyde, limonene, linalool, isopropylbenzyl salicylate, benzoic acid, methylparaben, phenoxyethanol, potassium sorbate, sodium benzoate, sorbic acid, triacetin, chlorphenesin
Estée Lauder® Future Perfect anti-wrinkle radiance eye cream	water, butyrospermum parkii (shea butter), polyethylene, hydrogenated polyisobutene, dicaprylyl carbonate, cetearyl alcohol, polybutene, sucrose, isostearyl neopentanoate, isopentylidol, cetyl sters, rosmarinus officinalis, boswellia serrata extract, chamomilla recutita, polygonum cuspidatum, piscis, magnolia officinalis, coffea robusta seed extract, sigesbeckia orientalis extract, cucumis melo, avocado oil, sesquistearate de methyl glucose, cetearyl glucoside, laurdimonium hydroxypropyl hydrolyzed soy protein, glycerin, acetyl glucosamine saccharomyces lysate, caffeine, creatine, phytantriol, sodium hyaluronate, aminopropyl ascorbyl phosphate, Decarboxy carnosine HCL, ascorbyl tocopheryl maleate, ethyl bisiminomethyl guaiacol manganese chloride, astrocryum murumuru butter, linoleic acid, caprylic/capric triglyceride, acetyl hexapeptide-3, aminoguanidine bicarbonate, dimethicone, potassium sulfate, lecithin, propylene glycol dicaprylate, ácido nordihydroguaiaretic acid, glycosaminoglycans, NADH sodium salt, arginine ferulate, phytosphingosine, hydroxyethylcellulose, acrylates/C10-30 alkyl acrylates crosspolymer, sodium chondroitin sulfate, aminomethyl propanol, cholesterol, ethylhexyl stearate, ethylhexyl palmitate, propylenglycol dicaprate, xanthan gum, hexylene glycol, carbomer, caprylyl glycol , disodium EDTA, sodium dehydroacetate, phenoxyethanol, mica, titanium dioxide.

Table S1 (continued)

Farmacia gel facial moisturizing cream	water, alcohol, glycerin, propylenglycol, phenoxyethanol, PEG-40 hydrogenated castor oil, acrylates/C10-30 alkyl acrylates crosspolymer, hydrolyzed yeast extract, parfum (fragrance), trehalose, urea, caprylyl glycol, 1,2-hexanediol, xanthan gum, diethylhexyl syringilidenmalonate, sodium hydroxide, disodium EDTA, serine, pentylene glycol, PEG-30 dipolyhydroxystearate, trideceth-6, caprylic/capric triglyceride, glyceryl polyacrylate, algina, polyglucuronic acid, pullulan, sodium hyaluronate, potassium sorbate, sodium benzoate, disodium fosfate, sodium fosfate, Cl 42090 (blue 1)
L'oréal Paris® revitalift filler facial serum	water, glycerin, hydroxyethylpiperazine ethane sulfonic acid, sodium hyaluronate, dipeptide diaminobutyroyl benzylamide diacetate, disodium EDTA, secale cereale seed extract/rye seed extract, ascorbyl glucoside, PEG-60 hydrogenated castor oil, pentylene glycol, benzyl alcohol, benzyl benzoate, benzyl salicylate citronellol, linalool, chlorphenesin, phenoxyethanol, parfum/fragrance.
NeoStrata® glycolic renewal facial serum	water, hydrolyzed vegetable protein, glycolic acid, glycereth-7 trimethyl ether, sodium hydroxide, glycerin, lactobionic acid, arginine, xanthan gum, hibiscus sabdariffa flower extract, epigallocatechin gallate, sodium bisulfite, caprylyl glycol, phenoxyethanol, chlorphenesin, parfum (fragrance), benzyl benzoate, linalool, hexyl cinnamal, geraniol.
Noviderm Sérénactiv® moisturizing facial emulsion	water, hydrogenated polydecene, glycerin, dicaprylyl carbonate, lauryl glucoside, polyglyceryl-2 dipolyhydroxystearate, acrylates/C10-30 alkyl acrylates crosspolymer, sodium hydroxymethylglycinate, hydrolyzed lupine protein, xanthan gum, heptadecadienyl furan, undecyl dimethyl oxazoline, sodium hydroxide, citric acid, phenoxyethanol, sorbic acid
Yves Rocher ADN Végétal® moisturizing facial cream	water, butylene glycol, glycerin, denat. alcohol, urea, dimethicone, caprylic/capric triglyceride, cetearyl acid, cyclopentasyloxane, hydrogenated polyisobutene, cyclohexasyloxane, stearyl dimethicone, stearic acid, macadamia ternifolia seed oil, simmondsia chinensis (jojoba) seed oil, ceteareth-33, ethyl linoleate, parfum (fragrance), methylparaben, rosa moschata oil, triticum vulgare (wheat) germ oil extract, olet-20, xanthan gum, tocopheryl acetate, retinyl palmitate, hydrolyzed wheat protein, allantoin, acrylates/C10-30 alkyl acrylates crosspolymer, dimethiconol, ethylparaben, propylparaben, butylparaben, tetrasodium EDTA, sodium hydroxide
Yves Rocher Sérum Végétal® anti-ageing night cream	water, glycerin, methylpropanediol, glycine soja oil, ethylhexyl cocoate, dimethicone, steareth-2, myristyl myristate, glyceryl stearate, butylene glycol, behenyl alcohol, PEG-40 stearate, hydrogenated coconut oil, butyrospermum parkii butter, acacia senegal gum, centaurea cyanus flower water, phenoxyethanol, ammonium acryloyldimethyltaurate/VP copolymer, ethyl linoleate, parfum, lecithin, pyrus malus fruit extract, xanthan gum, sorbic acid, tocopheryl acetate, tetrasodium edta, retinyl palmitate, BHT, sodium hydroxide, methylsilanol manuronate, mesembryanthemum crystallinum extract, sodium benzoate, potassium sorbate, citric acid, tocopherol, propyl gallate

Table S1 (continued)

ISDIN flavo-C Forte® serum ascorbic acid 15%	water, ascorbic acid, propanediol, pentylene glycol, hexylene glycol, dimethicone, sodium citrate, dicaprylyl carbonate, 1,2-hexanediol, tocopherol, citric acid, caesalpinia spinosa fruit extract, parfum (fragrance), xanthan gum, kappaphycus alvarezii extract, disodium EDTA, hydrolyzed hyaluronic acid, sodium hyaluronate
La Roche-Posay Pure VitaminC10® serum ascorbic acid 10%	water, ascorbic acid, cyclohexasiloxane, glycerin, alcohol denat, potassium hydroxide, polymethylsilsesquioxane, polysilicone-11, dimethicone, propylene glycol, pentaerythrityl tetraethylhexanoate, c13-14 isoparaffin, tocopherol, sodium hyaluronate, hydrolyzed hyaluronic acid, adenosine, acetyl dipeptide-1 cetyl ester, PEG-20 methyl glucose sesquistearate, poloxamer 338, salicylic acid, polyacrylamide, toluene sulfonic acid, ammonium polyacryloyldimethyl taurate, xanthan gum, caprylyl glycol, disodium EDTA, BHT, laureth-7, parfum/fragrance
Nacomi Light it up® serum ascorbic acid 10%	water, ascorbic acid, glycerin, coco-caprylate/caprate, prunus amygdalus dulcis oil, sodium ascorbyl phosphate, triethanolamine, ascorbyl glucoside, rosa canina fruit oil, lauryl glucoside, polyglyceryl-2 dipolyhydroxystearate, xanthan gum, cellulose, hectorite, citric acid, dehydroacetic acid, benzyl alcohol
