Spectroscopic characterization

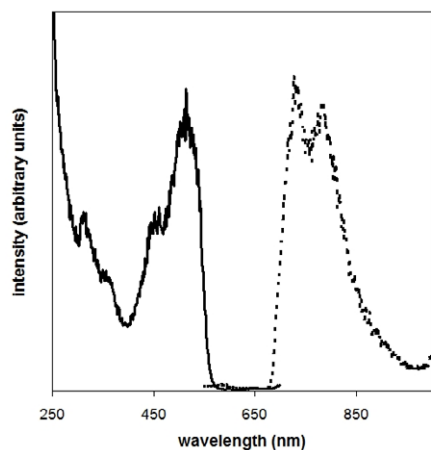

Figure S1. Emission (dotted line) and excitation (solid line) spectra of complex **6** in CH₂Cl₂ at 77K.

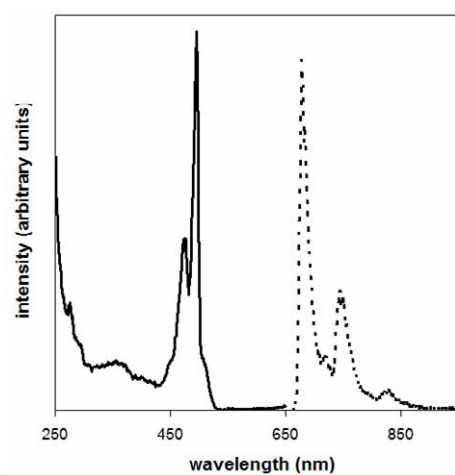

Figure S2. Emission (dotted line) and excitation (solid line) spectra of complex **7** in CH₂Cl₂ at 77K.

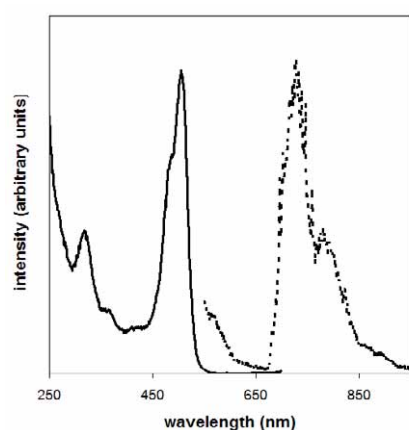

Figure S3. Emission (dotted line) and excitation (solid line) spectra of complex **8** in CH₂Cl₂ at 77K.
