

file name ODCB_01.avi

Video legend

Solvent evaporation process of a P3HT:PCBM thin film deposited by spincoating from o-dichlorobenzene solution at 90°C.

Short descriptive title

Drying of a P3HT:PCBM film deposited from o-dichlorobenzene at 90°C.

Keywords

Organic thin films, organic solar cells, organic photovoltaics, OPV, spincoating, P3HTPCBM, solvent evaporation

file name TCB_01.avi

Video legend

Solvent evaporation process of a P3HT:PCBM thin film deposited by spincoating from 1,2,4-trichlorobenzene solution at 90°C.

Short descriptive title

Drying of a P3HT:PCBM film deposited from 1,2,4-trichlorobenzene at 90°C.

Keywords

Organic thin films, organic solar cells, organic photovoltaics, OPV, spincoating, P3HTPCBM, solvent evaporation
