

Electronic Supplementary Information

Figure S1

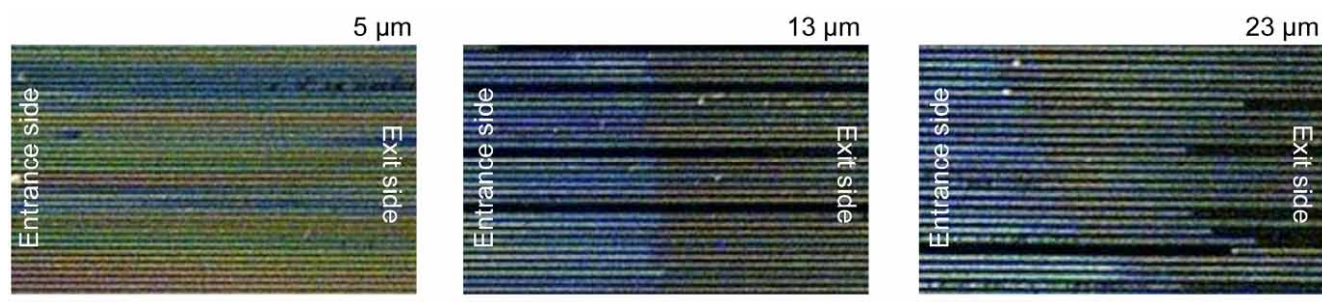

Figure S1 Optical microscopic images of the fabricated line patterns with various width sizes. Scale bar is 1 mm.

Figure S2

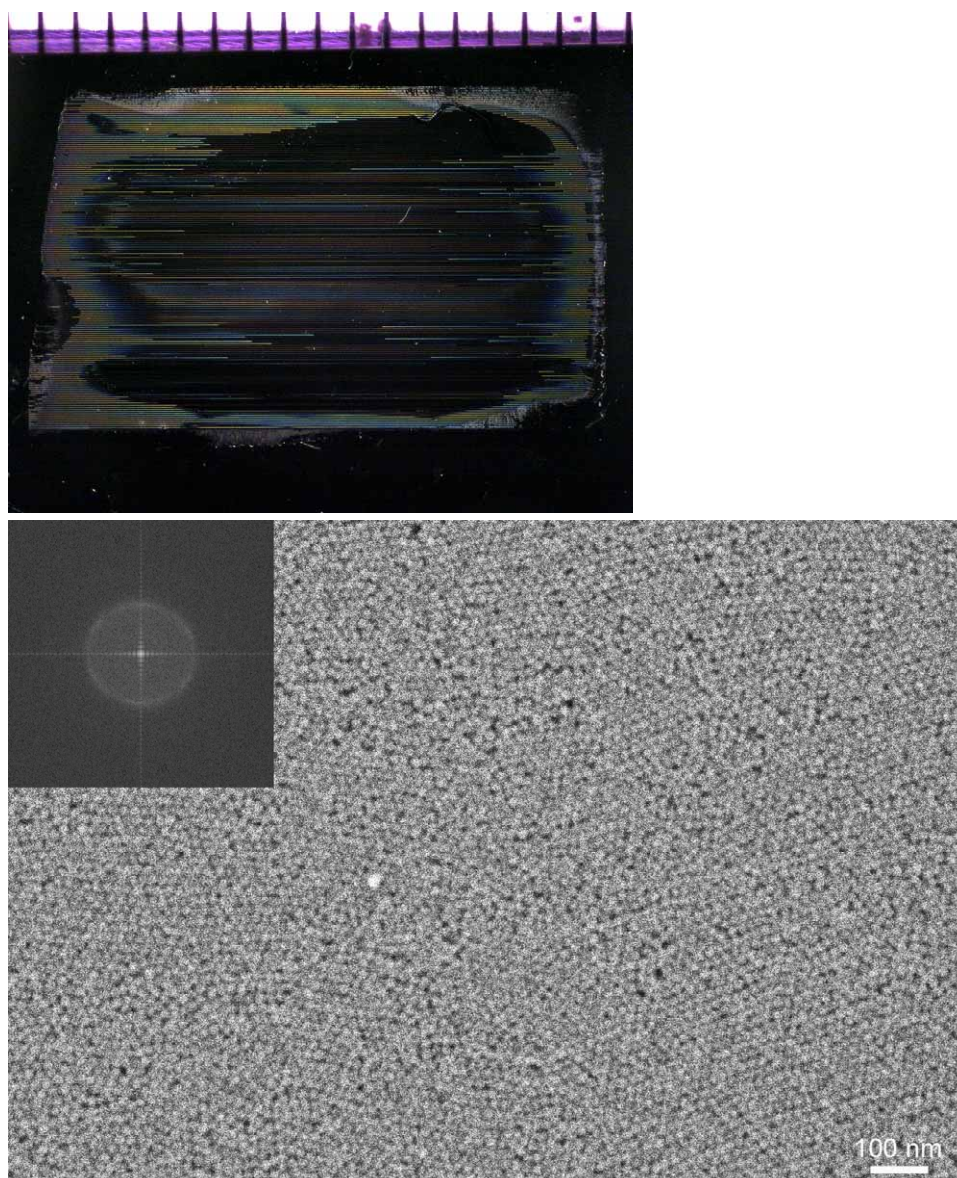

Figure S2 Optical microscopic image of the fabricated line patterns by an embossing process (Upper image) and highly magnified SEM image of the top-surface of the lines (Bottom image). Inset image is the corresponding Fourier-transform patterns of the area of $1\ \mu\text{m}^2$.
