

Online Supporting Information S6. List of the results predicted by GPCR-AKNN (Xiao, X. and Qiu, W. R. Interdiscip. Sci. Comput. Life Sci., 2010, 2:180-184) and GPCR-2L on the 2,192 independent proteins in [Online Supporting Information S5](#). Listed in column 4 are the experimental results as annotated in GPCRDB at http://www.gpcr.org/7tm_old/.
