

A simple and practical synthesis route for  $\text{Li}_3\text{V}_2(\text{PO}_4)_3/\text{C}$  by rheological phase method with  
composite chelating reagents.

Wenjing Zhang, Qianjin Liu, Lijun Feng, Shuping Wang, Yanzhao Yang, Huiying Wei\*

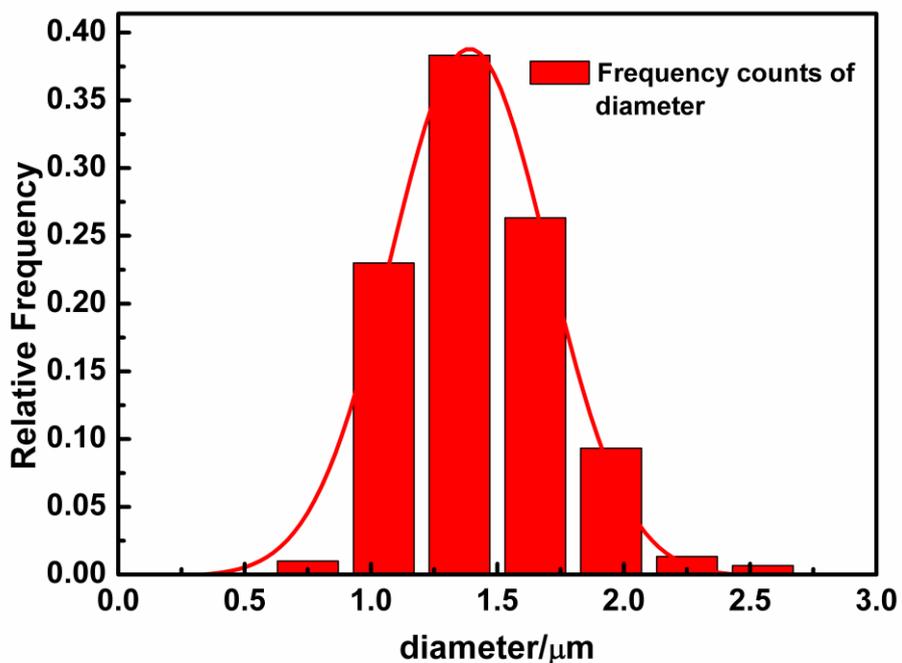

Fig. S1 The particle size distribution of the as-prepared  $\text{Li}_3\text{V}_2(\text{PO}_4)_3/\text{C}$  composite material.
