

Expanding the boronucleotide family : synthesis of borono-analogues of dCMP, dGMP and dAMP

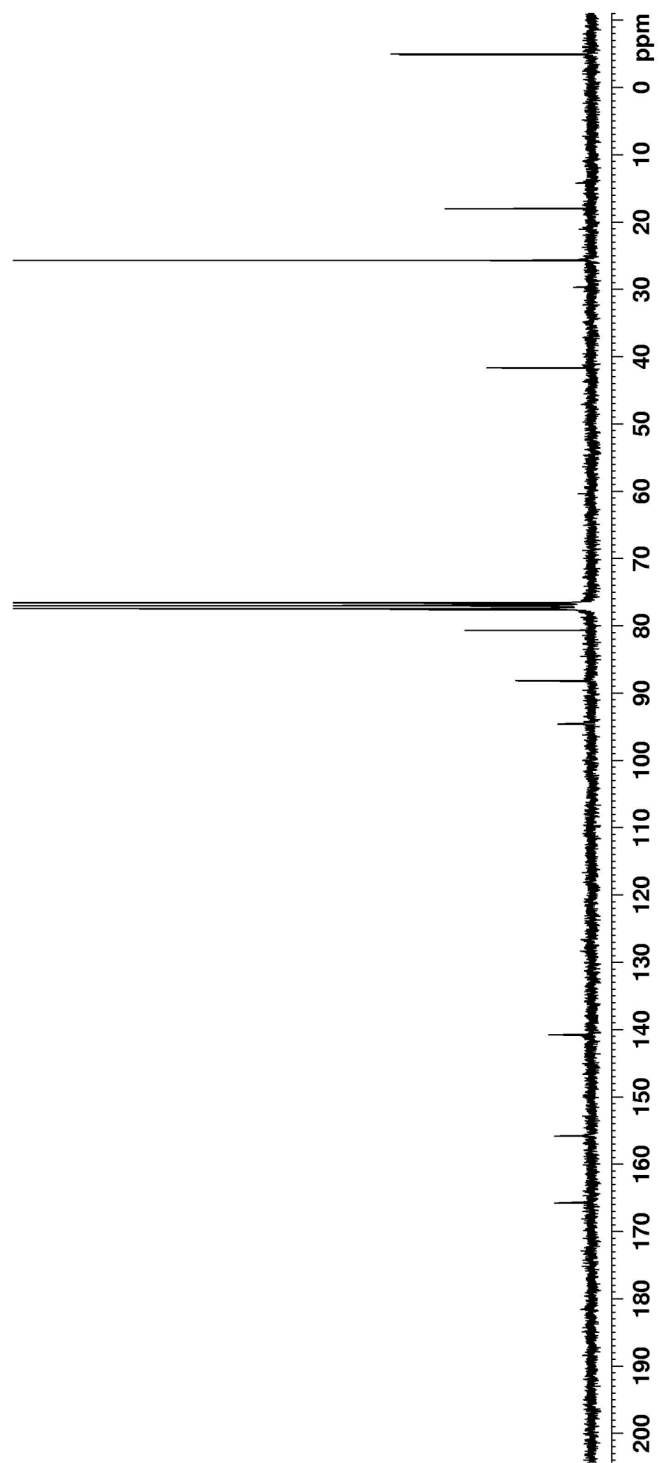

Anthony R. Martin, Kishor Mohanan, Delphine Luvino, Nicolas Floquet, Carine Baraguey, Michael Smietana* and Jean-Jacques Vasseur*

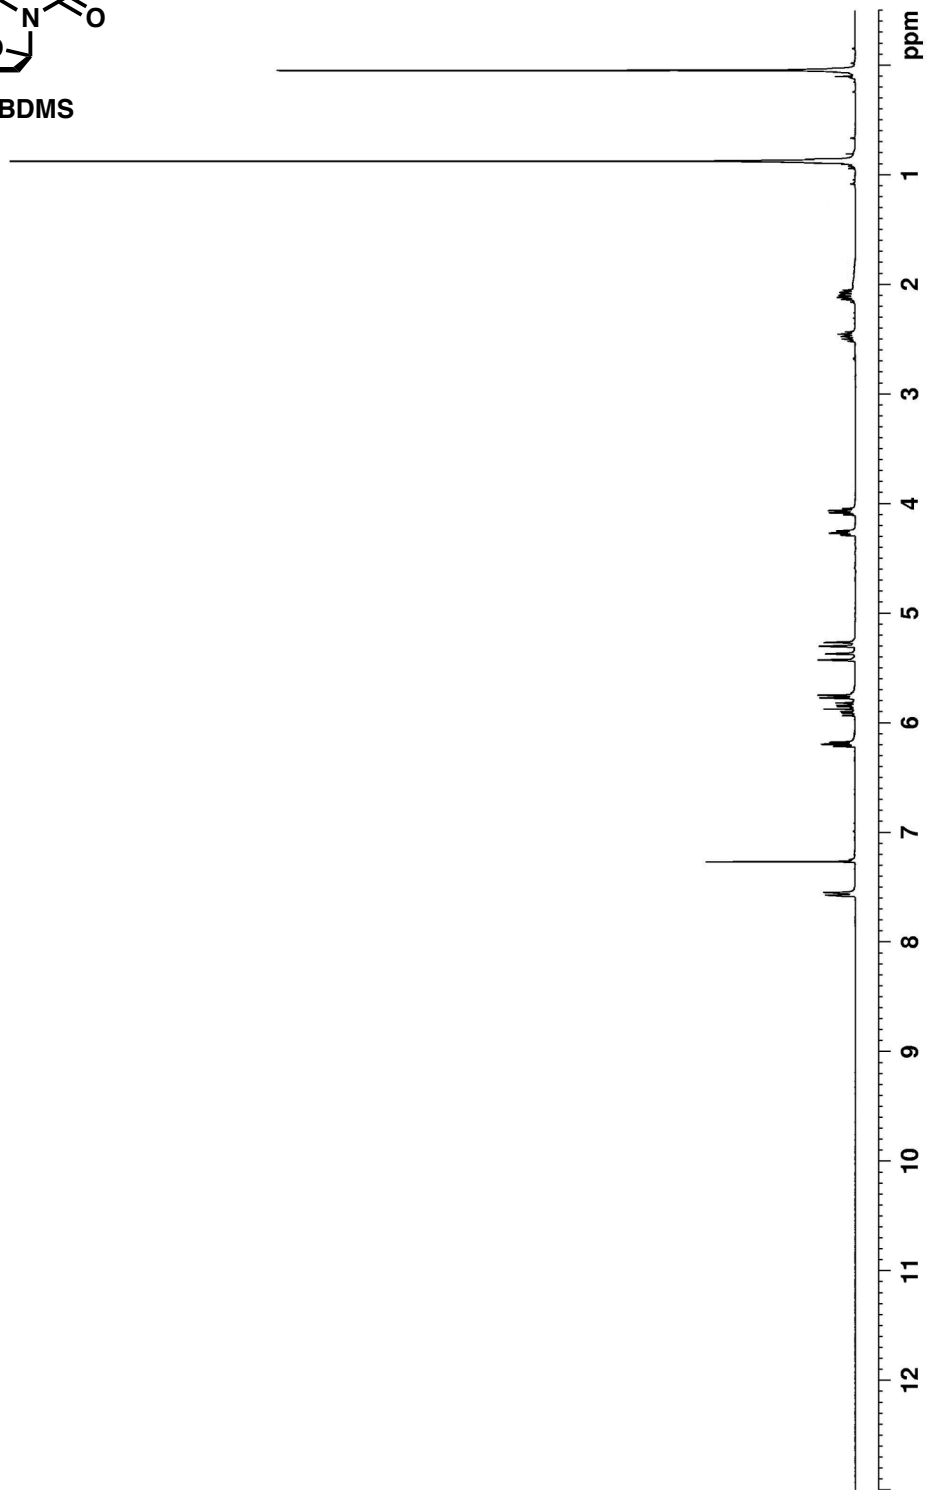

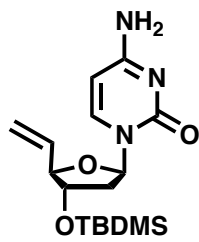

NMR spectra of dCMP boronoisostere and its precursors	S2-S10
NMR spectra of dGMP boronoisostere and its precursors	S11-S19
NMR spectra of dAMP boronoisostere and its precursors	S20-S32
