

# **Preparation of aqueous sol-gel silica and titania multi-layered thin films and their evaluation as biomolecular encapsulation hosts**

**T. Moreau et al.**

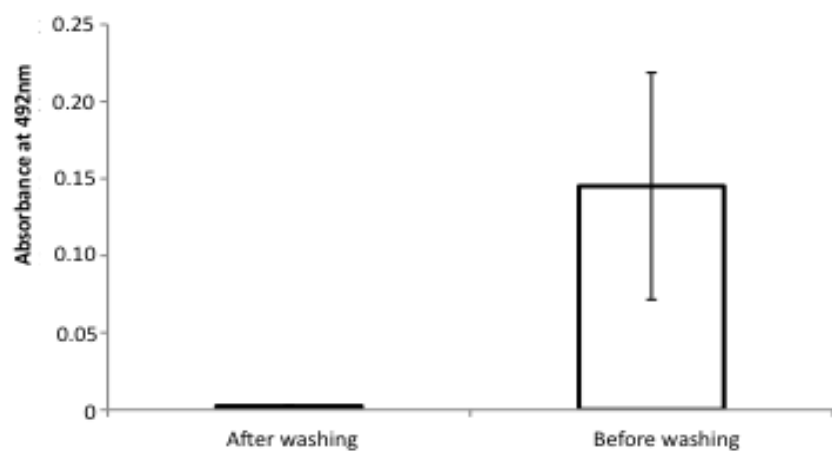

## *Electronic Supplementary Information*

**ESI-1.** ADECA and A<sub>2</sub>HRP blank experiments using antibody-free silica and titania films

**ESI-2.** HRP immobilization in a TiO<sub>2</sub> single layer (TiBALDH = 0.042 M) before and after washing
